(g) **Electronic Fund Transfers Initiated By Third Parties.**
You may authorize a third party to initiate electronic
fund transfers between your account and the third
party's account. These transfers to make or receive
payment may be one-time occurrences or may recur as
directed by you. These transfers may use the
Automated Clearing House (ACH) or other payments
network. Your authorization to the third party to make
these transfers can occur in a number of ways. For
example, your authorization to convert a check to an
electronic fund transfer or to electronically pay a
returned check charge can occur when a merchant
provides you with notice and you go forward with the
transaction (typically, at the point of purchase, a
merchant will post a sign and print the notice on a
receipt). In all cases, these third party transfers will
require you to provide the third party with your account
number and financial institution information. This
information can be found on your check as well as on a
deposit or withdrawal slip. Thus, you should only
provide your financial institution and account
information (whether over the phone, the Internet, or via

some other method) to trusted third parties whom you
have authorized to initiate these electronic fund
transfers. Examples of these transfers include, but are
not limited to:

- Electronic check conversion.** You may authorize a
merchant or other payee to make a one-time
electronic payment from your checking account
using information from your check to pay for
purchases or pay bills. You may:
 - Not exceed more than _____ payments
by electronic check per _____.
 - Make payments by electronic check from a _____
checking account _____. Payments are
limited to N/A _____ per N/A _____.

a merchant or other payee to initiate an electronic
fund transfer to collect a charge in the event a
check is returned for insufficient funds. You may:
 - Make no more than _____ payments
per _____ for electronic payment of
charges for checks returned for insufficient
funds.
 - Make electronic payment of charges for checks
returned for insufficient funds from a checking
account _____. Payments are
limited to N/A _____ per N/A _____.

by electronic check or electronic payment of charges for checks
returned for insufficient funds

(a) Right to stop payment and procedure for doing so. If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here's how:

Call or write us at the telephone number or address listed in this disclosure, in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call.

(c) Liability for failure to stop payment of preauthorized transfer. If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

FINANCIAL INSTITUTION'S LIABILITY

(a) Liability for failure to make transfers. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- ◆ If, through no fault of ours, you do not have enough money in your account to make the transfer.
- ◆ If the transfer would go over the credit limit on your overdraft line.
- ◆ If the automated teller machine where you are making the transfer does not have enough cash.
- ◆ If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.

CONFIDENTIALITY

We will disclose information to third parties about your account or the transfers you make:

- (1) where it is necessary for completing transfers; or

UNAUTHORIZED TRANSFERS

(a) Consumer Liability. Tell us at once if you believe your card and/or code has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within 2 business days after you learn of the loss or theft of your card and/or code, you can lose no more than \$50 if someone used your card and/or code without your permission. Also, if you do NOT tell us within 2 business days after you learn of the loss or theft of your card and/or code, and we can prove we could have stopped someone from using your card and/or code without your permission if you had told us, you could lose as much as \$500. Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time period.

ERROR RESOLUTION NOTICE

In Case of Errors or Questions About Your Electronic Transfers, Call or Write us at the telephone number or address listed below, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- (1) Tell us your name and account number (if any).
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days (5 business days if involving a Visa® point-of-sale transaction processed by Visa or 20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (5 business days if involving a Visa point-of-sale transaction processed by Visa or 20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. An account is considered a new account for 30 days after the first deposit is made, if you are a new customer.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation.
